

# GHOST RACER

THREE MORE MINUTES. THEN WE'RE OFF!

IT'S PORSCHE'S FIRST RACE IN FORMULA E, AND I GET TO BE THERE LIVE, AS A DRIVER—AND TEST MYSELF AGAINST THE PROS. COOL!

HURRY, TINA! THE DRIVERS ARE ALREADY ON THE GRID.

MY PULSE IS RACING ALREADY.

SHOW 'EM WHAT YOU'VE GOT, TIM!

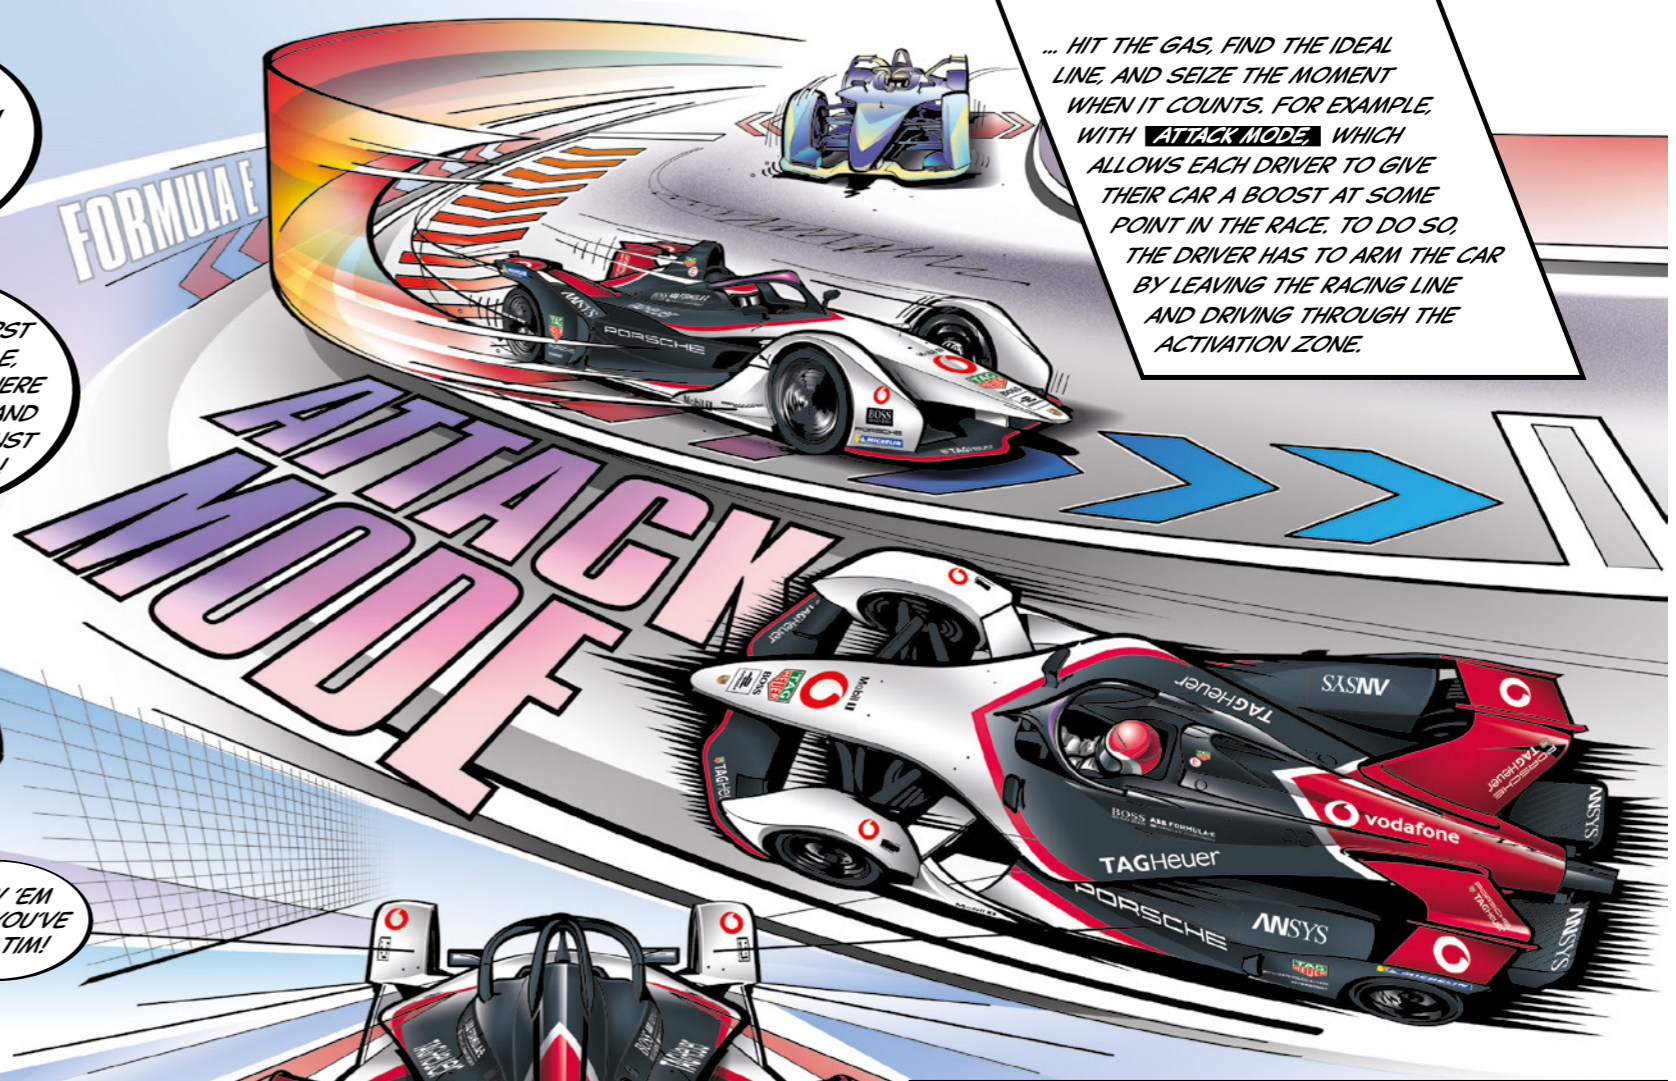

# GO! 1...2...3

# 1111111111

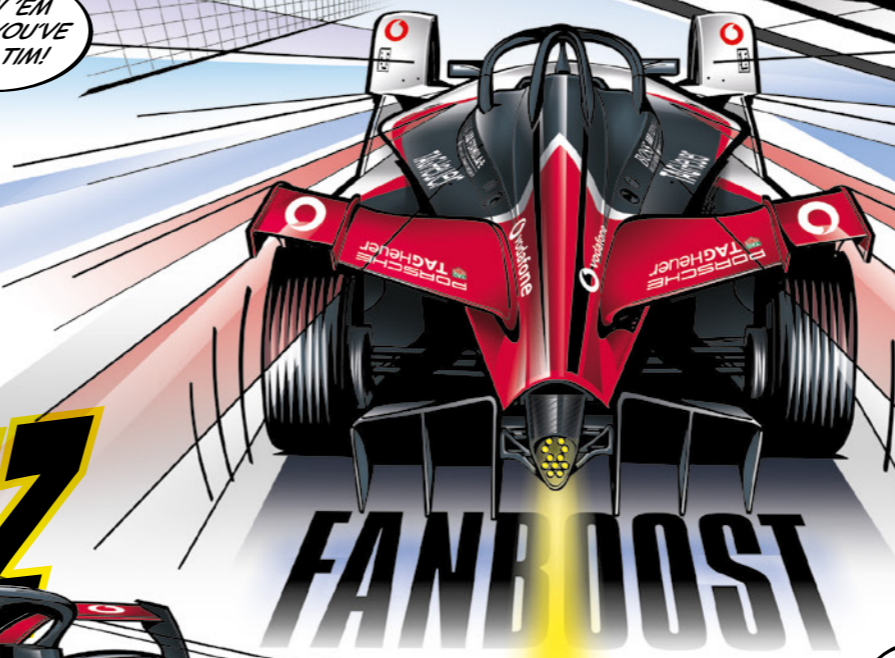

ALL AROUND THE WORLD, GAMERS ARE ONLINE WITH THE GHOST RACING APP. AFTER REGISTERING, YOU CAN PARTICIPATE VIRTUALLY, IN REAL TIME, IN FORMULA E RACES ON A COMPUTER OR TABLET.

NO TIME FOR BREAKS ...

... HIT THE GAS, FIND THE IDEAL LINE, AND SEIZE THE MOMENT WHEN IT COUNTS. FOR EXAMPLE, WITH **ATTACK MODE**, WHICH ALLOWS EACH DRIVER TO GIVE THEIR CAR A BOOST AT SOME POINT IN THE RACE. TO DO SO, THE DRIVER HAS TO ARM THE CAR BY LEAVING THE RACING LINE AND DRIVING THROUGH THE ACTIVATION ZONE.

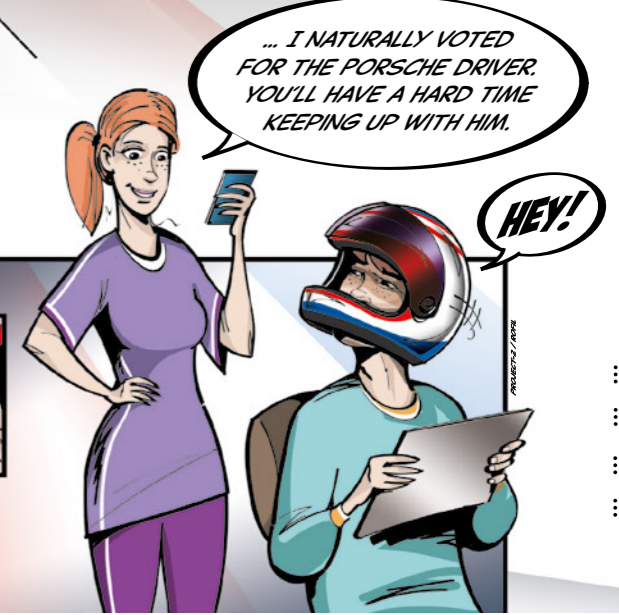

THE DRIVER CAN ALSO GAIN ANOTHER ADVANTAGE DURING THE RACE THROUGH **FANBOOST**. FANS CAN VOTE FOR THEIR FAVORITE DRIVER IN AN ONLINE VOTE BEFORE THE RACE. THE FIVE DRIVERS WITH THE MOST VOTES CAN APPLY THE EXTRA BOOST DURING THE RACE. SO EVERY RACE IS FULL OF SURPRISES AND STAYS EXCITING UNTIL THE VERY END.

BY THE WAY, GOOD LUCK, TIM! ALTHOUGH IN THE FANBOOST ...

... VOTE THAT I SUBMITTED ON MY SMARTPHONE ...

... I NATURALLY VOTED FOR THE PORSCHE DRIVER. YOU'LL HAVE A HARD TIME KEEPING UP WITH HIM.

HEY!
